Sir:

In reply to the December 14, 2004 Final Office Action, please consider the following:

Claims 1-22 are pending in this application. Reconsideration of the application is respectfully requested.

Applicants gratefully acknowledge that the Final Office Action indicates that claims 2, 7-9 and 12 contain allowable subject matter. However, Applicants assert that claims 1, 3-6, 10, 11 and 13-22 are also allowable for the reasons discussed below.

I. Reconsideration After Final Rejection is Respectfully Requested

Review and reconsideration is proper under 37 CFR §1.116 because the arguments: a) do not raise any new issues requiring further search or consideration; and b) address formal requirements of the Final Rejection and preceding Office Action.
